CURRICULUM VITAE

Konstantin Pinegin

Date of birth   22.06.1994
Phone: +49 178 6142620
E-mail: pineginkv@gmail.com
web: pinegink.github.io

_____

Skills:

- **Languages:** Java
- **Tools, frameworks:** Spring (Core, MVC, Security, Cloud), RabbitMQ, Elasticsearch, Git, Maven, Tomcat
- **DevOps:** Docker, Kubernetes
- **API**: REST, GraphQL, JSON, SOAP, XML
- **Unit-tests**: JUnit, Mockito
- **Database related:** SQL, PostgreSQL, JDBC, Hibernate, Spring DATA JPA, Liquibase
- **OOP design principles and patterns:** SOLID, GoF, TDD (test-driven development), Microservices

_____

Work experience:

- 07.2022 – p.t. java developer at Hotel solutions GmbH
- 09.2020 – 07.2022 java developer at Binaere-bauten GmbH
- 04.2019 - 12.2019 - Junior Java developer at Foxminded Software
  Stack of technologies: Java, Spring (BOOT, MVC, Data JPA), REST API, PostgreSQL
  Others: JSON, Junit, Mockito, Tomcat, Git, Maven, UML

  About the project: support of tv-broadcasting application, fixing
  logic and implementation of CRUD operations

- 01.2019 - 04.2019 - Trainee at Foxminded Software

  Stack of technologies: Java, Spring (BOOT, MVC, Cloud), REST API, microservices, Hibernate, PostgreSQL
  Others: JSON, Junit, Mockito, Tomcat, Git, Maven, UML

- Student assistant at Otto von Guericke University Magdeburg

- Engineer at Research and Production Enterprise "Advent" St. Petersburg

_____

Academic achievements:

- **Competitions:** 2015 & 2016 first place at a competition of student's research projects of Saint-Petersburg
- **Scholarships:** 2014-2017 Scholarship of Russian government for students-researchers

Education:

- 2017 – 2021 Otto von Guericke University Magdeburg, master's degree program in electrical engineering and information technology
- 2013 – 2017 Saint Petersburg Mining University, electrical engineering, Bachelor of Science in electronics and nanoelectronics
- 2012 – 2013 Saint Petersburg Mining University, Mineral deposits search, specialist in geophysics (unfinished)
